eSourcing Training for Suppliers

What is Coupa?

- Coupa is a cloud-based procurement platform. Coupa eSourcing facilitates finding, evaluating, and engaging suppliers and internal stakeholders for acquiring goods and/or services. It will be used to facilitate the entire Sourcing process transparently from:
 - Opportunity identification
 - Bid creation
 - Supplier engagement
 - Bid evaluation and ranking
 - Bid award
- Benefits of Coupa Sourcing:
 - Elimination of current manual processes
 - Portal for supplier bid submission
 - HUB evaluation
 - Supplier Bid scoring and evaluation

How to Participate in a Sourcing Event

All bid opportunities are posted on the UTHealth Bid Opportunities website (<https://www.uth.edu/buy/bid-list.htm>).

Review the list for any bid opportunities in which you would like to participate. Locate the name of the buyer in charge of that specific bid.

Please email the Buyer with your intention to participate in bid # RFP/ITB 744-xyz.

The Buyer will add you to the Bid/Event in the Coupa Portal. You will then receive an email that includes the event details and an invitation to participate in the sourcing event.

Follow the instructions on the email to access the Event.

Event invitation email

Once a buyer launches an event, Suppliers will receive an email that provides information about the bid:

UT Health has invited you to the sourcing event: ITB 744-B2018 Avaya Aura 8 Upgrade.

UTHealth is soliciting bids from qualified and experienced vendors to provide an upgrade to our Avaya phone system to Aura 8.X.

Bid Response (Attachments)

If a Supplier is ready to respond to the event, they can click on “View Event” from the email. You will still need to accept the Terms and Conditions to proceed to the response section of the event.

You will then see the Attachments associated with the event:

The screenshot displays a web interface for a bid response. At the top, there are two tabs: "Event Info" and "My Response", with "My Response" being the active tab. Below the tabs is a yellow notification bar stating "Gabby Amaya made the following changes to this event". Underneath is a section titled "Attachments" with a paperclip icon. The main content area is split into two columns. The left column is titled "Provided by Gabby Amaya" and contains the text "Execution of Offer" and "Instructions" which reads: "Complete, sign, and upload the Execution of Offer. Failure to return the completed Execution of Offer with the bid may result in rejection of bid." Below the instructions is an "Attachment" section with a red arrow pointing to a file named "ITB_744-B2018_ITB_Execution_of_Offer...". The right column is titled "Your response" and contains the text "Response to Execution of Offer" and "Attachment *". Below this is an "Add File" button with a red arrow pointing to it, and a red text label "Upload your completed Execution of Offer file here".

You must download the document, respond to the questions and save your document.

Bid Response (Delivery section)

Complete the Delivery Form to provide the number of days to deliver goods/services and to provide the Prompt Payment Discount if applicable:

1. Delivery Form (Supplier to complete)

Please answer the questions below.

Event Ends 25 : 00
days hrs

Delivery:

I. Enter delivery schedule in calendar days (numeric value).

II. University's standard payment terms for services are "Net 30 days." Proposer agrees that University will be entitled to withhold five percent (5%) of the total payment due under the Agreement until after University's acceptance of the final work product. Indicate the prompt payment discount (in percentage and number of days) that Proposer will provide to University. For example 5% net 20. Enter a zero (0) if a discount will not be provided.

III. Vendor must attach a projected payment schedule, from start to finish, to complete this upgrade. All work must adhere to the University's change approval process.

If you have any questions in regards to Delivery, contact Martha G. Amaya at martha.g.amaya@uth.tmc.edu.
