ClinicalTrials.gov DUE DATES

https://register.clinicaltrials.gov/

1. **Registration:** no later than <u>21 days after enrollment of first participant</u> (per the law and NIH); at or before time of <u>first patient enrollment</u> (per ICMJE journals)

2. **Updates:** <u>at least once per year</u> until the record is closed out; update <u>as soon as changes are made</u>, especially "Recruitment Status" and "Primary Completion Date"

3. **ICF Upload (federally-supported clinical trials):** after trial is <u>closed to recruitment</u> and no later than <u>60 days after the last study visit by any subject</u>

4. **Results Entry and Protocol Upload:** no later than <u>1 year after the "Primary Completion Date</u>," which is defined as *"the date that the final participant was examined or received an intervention for the purposes of final collection of data for the primary outcome, whether the clinical study concluded according to the pre-specified protocol or was terminated"*; <u>contact CTRC at the time of the Primary Completion Date</u>

For assistance with any of the above, please contact CTRC at clinicaltrials@uth.tmc.edu.
