

MEMBERSHIP INFORMATION

Membership Requirements

A person being considered for a formal appointment to the Houston Center for Biomaterials and Biomimetics must have an appropriate advanced degree, a permanent academic or research appointment with a qualifying institution in or affiliated with the Texas Medical Center, and must meet the stated qualifications.

Membership Process

Appointments are made by the director upon approval of the Center's Executive Committee and the dean.

Term of Appointment

All appointments are made for three years and may be renewed based on merit if mutually agreeable to the director and appointee.
