

REGISTRATION INFORMATION

Pre-registration for all courses is necessary to guarantee your space in the desired course, as space is limited. Pre-registration allows the Office of Continuing Education to have course packets ready for you at the course check-in.

The Office of Continuing Dental Education is pleased to announce the launch of our new online registration system, powered by ABC Signup, with secure payment processing through NIC. This online system allows you to purchase multiple course registrations at one time using the event cart. Enjoy 24-hour access to your continuing dental education financial history and access to your credit letters for courses attended. Create your account for FREE; please contact us at 713-486-4028 if you need assistance with setting it up.
