

The loss of a long-time UTHM volunteer made finishing this project extra difficult.

Through broken hearts and loss of steam, volunteers did complete the work. There are no photos during or after to share.

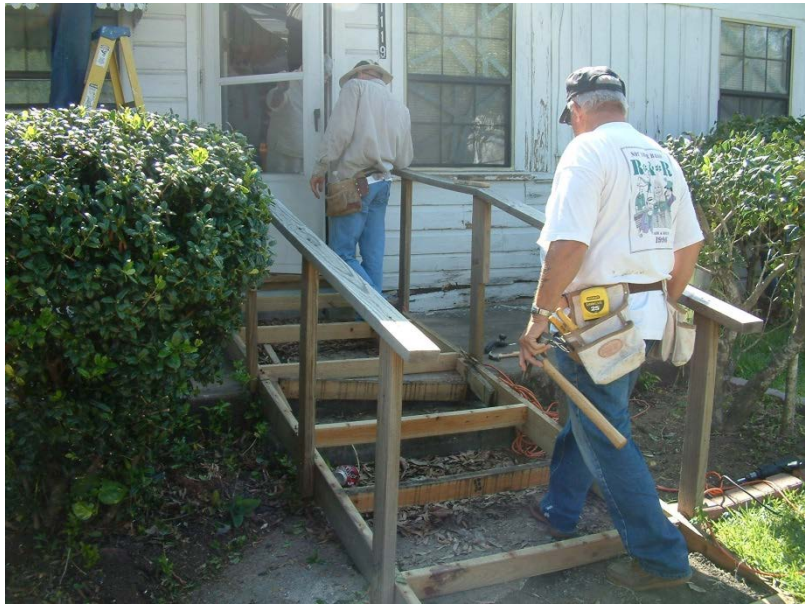

Dedicated volunteers pushed through sorrow to help this homeowner. We are ever so grateful.

RIP Luther Clemons. He passed away while working on the wheelchair ramp on the first workday. Luther was to father Maria Hillman, Krysti Suarez and Dennie Clemons. We'll miss you!
