Financial Wellness

5 tips to help achieve Financial Wellness

Did you know...?

Satisfactory Academic Progress

Financial aid eligibility is dependent upon a student meeting Satisfactory Academic Progress (SAP) guidelines. SAP is evaluated at the end of every spring semester after all grades are posted. Visit the Financial Aid website to review the [SAP policy](#) for your school.

Student Withdrawal Refund and Repayment Policy

Financial aid recipients that withdraw from the institution are subject to the Return of Title IV calculation to determine the unearned portion of financial aid. Unearned aid must be returned to the Department of Education. Review the [Student Withdrawal Refund and Repayment Policy](#) on our website.

Delegated Access

The [Family Educational Rights and Privacy Act](#) (FERPA) protects the privacy of student education records. In so doing, schools must have the student's written permission to release any information from a student record. Students may grant permission to an outside individual or agency by signing up for [Delegated Access](#).
