

**The University of Texas MD Anderson Cancer Center UTHealth
Graduate School of Biomedical Sciences**

Optional Confidentiality Acknowledgement – UT Faculty

Advisory Committee Meeting Report for _____ *(student's name)*

To be completed by each committee member if requested by the advisor and/or student. The form should be completed only one time by each member. Please forward the signed forms to GSBS and it will be added to the student's records

As an employee of The University of Texas Health Science Center at Houston or the University of Texas, MD Anderson Cancer Center (collectively the "University") and a faculty member of The University of Texas MD Anderson Cancer Center UTHealth Graduate School of Biomedical Sciences, you may have access in the regular course of your duties as a member of a graduate student's advisory or examination committee to proprietary information belonging to the Board of Regents of The University of Texas System. See UT System Board Of Regents' *Rules and Regulations* 90101 Sec. 6.

In addition to your existing obligations to protect University information, including student educational information, you must keep confidential any proprietary information or data to which you gain access during the course of your service on a graduate student's advisory or examination committee.

This acknowledgement has no effect on your ability to share educational or University information within the University community as needed to perform your duties as an employee of the University and as a member of the graduate school faculty.

I have read and I understand the above, and acknowledge the terms expressed.
