

Quantitative Sciences Program Travel Award Application

GUIDELINES & ELIGIBILITY

Quantitative Sciences Travel awards are \$500.00 each. Each student can only receive one award per academic year. Quantitative Sciences students presenting results at a national or international meeting, or attending a course, are eligible to apply. All applications will be reviewed and decided as they are received on a first come, first-serve basis.

PURPOSE

The purpose of the Quantitative Sciences travel award is to help defray your expenses to attend a meeting or course. The name of your advisor's administrative assistant is requested so that they will be notified to apply the \$500.00 toward your meeting or course expenses.
