Financial Resources Form
F-1 Student – Non-Resident

An F-1 student is a nonimmigrant who is pursuing a full course of study to achieve a specific educational or professional objective at an academic institution in the United States, which has been designated by the Department of Homeland Security to offer courses of study to such students. The Office of International Affairs (OIA) must determine a student's eligibility to be issued a Form I-20 to be used when applying for the F-1 visa at a U.S. Embassy or Consulate abroad, or if the student is already in the U.S., by sending the Form I-20 to U.S. Citizenship and Immigration Services when applying for a change of status to F-1.

The **Financial Resources Form and all necessary accompanying documentation** are required in order to establish that adequate funding exists. Prospective students must provide evidence of guaranteed funding for the first year of their program, and projected funding for the remainder of their program.

The amount of financial resources required will be based on the academic program you will pursue. Students admitted to a program of study at The University of Texas Health Science Center at Houston (UTHealth) must complete and sign this form and return all original documents, including supporting documentation, to OIA at the address below in order to determine eligibility for the Form I-20. Please note that supporting documentation received must be dated within six months from the date the document is issued.

Section I: Estimated Expenses

The figures below represent minimum estimated expenses for the 2021-2022 fiscal year based on a 12-month period at non-resident tuition. Your financial resources must equal or exceed the minimum total estimated expenses for the academic program you will pursue at UTHealth in order to be eligible for a Form I-20. Please be aware that the information below is only a guide in calculating that amount of financial support you will need in a 12-month period. **Tuition and fees are subject to change, and you should be prepared for an increase if deemed appropriate by the institution.** The total estimate of the non-resident tuition rates are based off the [Financial Aid](#) Office's Cost of Attendance figures. Should you have any questions regarding tuition and fees, please contact the Registrar's Office by email at registrar@uth.tmc.edu or by phone at (713) 500-3361.
