Additional Elective Topics

In addition to the departmental elective offerings described on the following pages, students may pursue other interests with faculty by arranging ad hoc electives or Special Projects according to the procedure outlined at the beginning of this book. Some potential elective topics and the faculty contacts are listed below. To explore other possibilities, please contact the departmental elective coordinator.

Topic	Faculty Name	Telephone Number
Research in Cardiothoracic and Vascular Surgery	Sherene Shalhub, MD, MPH	713-486-5100

UT-HMS Dept of Surgery, Office of Student Education, MSB 4.150, 713/500-7217 – fax 713/500-7239 email: Amber.J.McNutt@uth.tmc.edu
