

AMiON.com: How to View Call-Schedules

Go to www.amion.com

UTH Wide Login: uthtmc

A screenshot of the AMiON web application interface. On the left is the AMiON logo. To its right is a login form with a text input field containing "uthtmc" and a blue "Login" button. Below the input field, it says "Logins this month: 6280 \$?". At the bottom of the interface, there is a horizontal menu with four items: "Scheduling", "Messaging", "Help", and "Order". A red arrow points from the bottom right towards the "uthtmc" text in the login field.

The table icon allows you to see the schedule in a table format.

You can customize how you see the *monthly* call schedule by clicking on the icons on the top of each call schedule.

If you click on the binoculars, it shows you who is on call today.

The calendar icon allows you to see the schedule in a calendar format.

Clicking on this allows you to make the display size bigger or smaller.

The staff list icon shows you a directory of all staff by name, type, and contact info.

The blue arrows allow you to go back to previous months or forward to coming months.

The blue highlighted month shows what call schedule month you are currently viewing. The months highlighted in red are currently being edited by the scheduler, but are not ready for viewing.
