

Grad-SURP seminar series
Fridays, 12:30-1:30, MSB 4.100

This seminar series features presentations from current graduate students at the McGovern Medical School. Graduate students will discuss their personal road to graduate school, current research, and career ambitions. At the end of the series GradSURP students will present their own research to the group. GradSURP presentations will be 10-15 minutes plus 5 minutes Q&A.

Date	Speaker
