

JUDGE'S EVALUATION
MS-1 STUDENT RESEARCH PROPOSAL
SUMMER RESEARCH PROGRAM 2022

Research Trainee #:
Reviewer's Name:

On a scale of **5** (*Outstanding*) to **1** (*Poor*) rate the proposal on the following criteria:

<i>Proposal</i>	Does the proposal provide in the student's own words a concise summary and description of the work to be done (i.e., the student did not simply cut and paste sections of the original grant)?	
<i>Hypothesis</i>	Is the hypothesis, problem or question well focused, clearly stated and conveyed convincingly?	
<i>Background</i>	Does the proposal provide sufficient background information to understand the problem under study?	
<i>Significance</i>	Is the problem under study important to the health or welfare of patients and/or to society at large?	
<i>Experimental Design</i>	Are the methods and procedures appropriate, and their description adequate?	
<i>Personal Statement</i>	Has student shown strong desire to do research?	

TOTAL SCORE: _____
(out of 30)
