

## CURRICULUM VITAE

**NAME:** Melissa Kay Allen, D. O., A.B.P.N

**PRESENT TITLE:** Assistant Professor of Psychiatry and Behavioral Sciences  
The University of Texas Health Science Center at Houston  
McGovern Medical School

**WORK ADDRESS:** Harris County Psychiatric Center  
2800 South MacGregor Way; Office 3A-14  
Houston, Texas 77021  
(713) 741-3896

**CITIZENSHIP:** United States

### UNDERGRADUATE EDUCATION:

2000-2004 Texas A&M University  
College Station, Texas  
B.S. Biomedical Science

### GRADUATE EDUCATION:

2004-2008 Texas College of Osteopathic Medicine  
University of North Texas Health Science Center, Fort Worth, Texas  
Doctor of Osteopathic Medicine

### POSTGRADUATE TRAINING:

2008-2012 General Psychiatry Residency Program  
University of Texas Health Science Center at Houston  
McGovern Medical School, Houston, Texas

2011-2012 Chief Resident, General Psychiatry Residency Program  
University of Texas Health Science Center at Houston  
McGovern Medical School, Houston, Texas

### ACADEMIC AND ADMINISTRATIVE APPOINTMENTS:

2012-Present Assistant Professor, Department of Psychiatry and Behavioral Sciences  
University of Texas Health Science Center at Houston  
McGovern Medical School

2012-2016 Core Teaching Faculty, Department of Psychiatry and Behavioral Sciences  
McGovern Medical School

2014-Present Chief of Adult Psychiatry Services, Harris County Psychiatric Center  
Department of Psychiatry and Behavioral Sciences  
University of Texas Health Science Center at Houston, McGovern Medical School

2015-2016 Medical Staff President, Harris County Psychiatric Center  
Department of Psychiatry and Behavioral Sciences  
University of Texas Health Science Center at Houston, McGovern Medical School

9/2016-4/2017 Interim Medical Director, Harris County Psychiatric Center  
Department of Psychiatry and Behavioral Sciences  
University of Texas Health Science Center at Houston, McGovern Medical School

5/2017 Medical Director, Harris County Psychiatric Center  
Department of Psychiatry and Behavioral Sciences  
University of Texas Health Science Center at Houston, McGovern Medical School

**HOSPITAL APPOINTMENTS:**

2012-Present Attending Physician  
Harris County Psychiatric Center

**LICENSURE:**

2012 Texas Medical License, # P2185  
2012 Drug Enforcement Administration Registration; # FA3237561  
2012 Controlled Substances License/Registration, L0188934  
Texas Department of Public Safety

**CERTIFICATION:**

2014 American Board of Psychiatry and Neurology (ABPN); Certification # 67659  
Board Certified in Psychiatry and Neurology  
2015 Diplomat of the American Board of Psychiatry and Neurology

**PROFESSIONAL ORGANIZATIONS:**

**Local**

- American College of Healthcare Executives, TCOM branch, 2004-2008
  - Vice President, 2005-2006. Responsibilities included: membership recruitment, fundraising, meeting organization and planning, and community service activities.
- Texas College of Osteopathic Medicine Pathology Association, 2005-2008
  - Vice President, 2006-2007. Responsibilities included: organizing meetings, public relations, membership recruitment, community outreach projects, and fundraising.

- Houston Psychiatric Society, 2008-present

**CURRENT TEACHING RESPONSIBILITIES:**

**Medical Student Teaching**

- 2<sup>nd</sup> year Medical Student Interviewing Faculty Leader, 2012, 2014, 2015, 2016
  - 20 students annually for 8 hours total per academic year
  - Teaching focused on conducting a thorough psychiatric interview including evaluation of substance abuse disorders and a full mental status examination.
- 3<sup>rd</sup> year Medical Student Psychiatry Clerkship Clinical Faculty, 2012-April 2017
  - 30 students yearly for daily rounds, Monday- Friday, for the entire academic year
  - Teaching focused on psychiatric evaluation; safety assessments; assessment of DSM 5 disorders and diagnostic criteria; pharmacological management and implementation of different therapy modalities.
- 3<sup>rd</sup> year Medical Student Core Group Faculty Leader, 2012-2016
  - 1 of 3 faculty from the department of psychiatry as selected by the chairman and the clerkship director to focus on interviewing skills and bedside manner for small groups of medical students with the goal of meeting medical school core competencies for each medical specialty
  - 80 students yearly for weekly teaching sessions in small groups of 5-6, for the entire academic year
- Team Based Learning: Psychosis Module Facilitator for Psychiatry Clerkship, 2014- Present
  - 250 students yearly, 3 hours every 6 weeks annually, 8 sessions per year

- Responsibilities include review of National Board Exam material focusing on the topics of schizophrenia, schizoaffective disorder, delusional disorders, other mood disorders, psychotherapeutics and related psychopharmacology.
- 2<sup>nd</sup> year Medical Student Behavioral Science Course Lecturer, 2012-Present
  - Psychotic Disorder Lecture Series, 2012 –Present
    - 250 students yearly, 5 lecture hours annually
    - Lecture Series included: Schizophrenia, Delusional Disorder, Psychotic Disorders Secondary to General Medical Condition, Schizoaffective Disorder, Delusional Disorder, Brief Psychotic Disorder, and Culture Bound Syndromes.
  - Mood Disorders Lecture Series, 2014 – Present
    - 250 students yearly, 2 lecture hours annually
    - Lecture Series included: Adjustment Disorder, Major Depression, Bipolar Disorder and Mood Disorders secondary to a general Medical Condition.
  - Psychopharmacology: Mood Stabilizers; 2015- Present
    - 250 students yearly, 2 lecture hours annually
    - Lecture Series Included: interactive session with cases involving complex psychiatric and medical conditions that required medical students to utilize audience response tools as a learning experience.
- 4<sup>th</sup> year Medical Student Psychopharmacology Elective, 2014- May 2017
  - Elective Co-Director
  - 18 students yearly for daily rounds, Monday- Friday, for the entire academic year
- 4<sup>th</sup> year Medical Student Administrative Psychiatry Elective, starting July 2017
  - 4-6 students yearly for three times weekly rounding as well as daily administrative meetings with an emphasis on patient centered quality improvement projects

### **Resident Teaching**

- Resident Rotation Supervision, Bipolar Specialty Unit, 2012 – April 2017
  - 8 to 14 Residents yearly for daily inpatient rounds, Monday- Friday, for the entire academic year
  - Teaching points include: completing a full psychiatric evaluation; safety and risk assessments; evaluating the diagnostic criteria of DSM 5 disorders; developing a differential diagnosis; formulating a bio-psycho-social assessment; pharmacological management and implementation of different therapy modalities.
- Resident Lecture Series on Treatment Guidelines of Schizophrenia and Bipolar, 2012-2013
  - 8 residents, 10 lecture hours annually
- PRITE Review Lecture Series, 2012-2013
  - 8 Residents, 10 lecture hours annually
- Course Director of PGY-1 Psychopharmacology Lecture Series, 2013- 2016
  - 12 residents, 30 hours per academic year

- Responsibilities include: developing the curriculum, scheduling, and managing the lecture content for the course. Lecture material was personally developed and presented for 9 out of 14 lectures sessions.
- Clinical Skills Verification Examiner, 2014-Present
  - 6 residents annually for a total of 18 hours per academic year
  - Responsibilities include a formal evaluation of a resident's interviewing, presenting, and treatment planning abilities as required by ACGME for completion of residency.
- Course Director of PGY-4 Academic Medicine Rotation, 2015 – 2016
  - 2 PGY-4 Residents yearly, 1 month rotation each
  - Responsibilities include: development and mentoring of residents who have expressed an interest in academic psychiatry. Specifically, duties involve aiding to develop curriculum material, facilitating presentation opportunities, auditing of resident-given lectures, weekly supervision and assistance with curriculum planning.
- PGY-4 Emergency- Administrative Psychiatry Elective, March 2017 - Present
  - 12 residents yearly for supervision of the acute walk-in assessments as well as daily administrative meetings with an emphasis on patient centered quality improvement projects.

**Other Advanced Degree Teaching:**

- Preceptor for Masters of Psychiatry Nurse Practitioner Program, 2015-2016
  - 1 candidate weekly per year; 80 hours per academic year
  - Responsibilities include: assessing candidate on ability to interview, diagnose, document, and provide appropriate treatment planning for a wide variety of mental illnesses.

**MENTORING ACTIVITIES:**

- PGY-2 Direct Individual Mentoring, 2012- Present
  - 1 resident, 60 minute bi-weekly mentoring for the entire academic year
  - Mentoring duties include: monitoring of research activities, assistance in managing difficult cases and therapy supervision involving transference and countertransference issues.
- PGY-3 Direct Individual Mentoring, 2013-Present
  - 1 resident, 60 minute bi-weekly mentoring for the entire academic year
  - Mentoring duties include career discussion and advice, monitoring of research activities, assistance in managing difficult cases, and therapy supervision involving transference and countertransference issues.
- PGY-4 Direct Individual Mentoring, 2015-Present
  - 1 resident, 60 minute bi-weekly mentoring for the entire academic year
  - Mentoring duties include career discussion and advice, monitoring of research activities, assistance in managing difficult cases, and therapy supervision involving transference and countertransference issues.
- PGY-1 Direct Individual Mentoring, 2015- 2016
  - 1 resident, 60 minute bi-weekly mentoring for 6 months annually

- Mentoring duties include: monitoring of resident burnout; managing stress, assistance in managing difficult cases and transition to residency.
- McGovern Medical School Master Advisor Group for 1<sup>st</sup> Year Medical Students, 2014- 2016
  - Responsibilities included mentoring a group of 10 1<sup>st</sup> year medical students in career development, monitoring of academic progress, and preceptorship scheduling.
  - 10-15 hours annually.
- UT Psychiatry Women's Group, Faculty Mentor, 2015- 2016
  - Mentoring duties included: career advice and mentoring of women's related issues in medicine.
- Psychiatry Academic Medicine Track Mentor, 2015- 2016
  - Mentoring duties included: creating formal didactic opportunities, direct evaluation of didactics and presentations, aid in involving participant in academic workshops and training on self-evaluation techniques.

**CURRENT CLINICAL AND SERVICE RESPONSIBILITIES:**

- Harris County Psychiatric Center, Mood Disorders Specialty Unit, Attending Physician
  - Inpatient Rounds, three times weekly, 6 patients on average
  - Clinical Duties include: completing a full psychiatric evaluation; safety and risk assessments; evaluating the diagnostic criteria of DSM 5 disorders; physical examinations; routine lab orders and assessment; pharmacological management; implementation of different therapy modalities; and oversight of daily multidisciplinary meetings involving social work, nursing services and at times psychology services.
