

CURRICULUM VITAE

NAME: Katherine Anne Loveland, Ph.D.

PRESENT TITLES: Landmark Charities Professor of Autism Research and Treatment (Tenured),
Departments of Psychiatry and Behavioral Sciences and Pediatrics,
University of Texas McGovern Medical School, Houston

Training Director, UTHHealth Doctoral Psychology Internship Program

Director, Center for Human Development Research, Department of
Psychiatry and Behavioral Sciences, University of Texas McGovern Medical
School, Houston

Director, UTHHealth C.L.A.S.S. Clinic (*Changing Lives through Autism Spectrum
Services*), Department of Psychiatry and Behavioral Sciences, University of
Texas McGovern Medical School, Houston

ADDRESS: 1941 East Rd., BBSB 3.122, Houston, TX 77054

BIRTH DATE: June 30, 1955

CITIZENSHIP: U.S.A.

**UNDERGRADUATE
EDUCATION:** University of Virginia, Charlottesville;
BA Magna Cum Laude, 1975.

**GRADUATE
EDUCATION:** Cornell University, Ithaca, N.Y.;
Ph.D. Psychology, 1980.

**POSTGRADUATE
TRAINING:** University of Houston, University Park;
Postdoctoral respecialization program in Clinical Neuropsychology, 1982-
1985.

ACADEMIC APPOINTMENTS:

1980-82: Visiting Assistant Professor, Psychology, Rice University

1982-85: Research Specialist I, Texas Research Institute of Mental Sciences

1982-91: Adjunct Assistant Professor, Psychology, and Linguistics, Rice University, Houston, Texas

1985-91: Assistant Professor, Psychiatry and Behavioral Sciences and Pediatrics, Univ. of Texas Medical School, Houston

1991-96: Associate Professor (with tenure) and Director, Center for Human Development Research, Departments of Psychiatry and Behavioral Sciences and Pediatrics, Univ. of Texas Medical School, Houston; Adjunct Associate Professor, Psychology and Communication Disorders, University of Houston; Adjunct Associate Professor, Psychology and Linguistics, Rice University

1996 - : Professor (with tenure) and Director, Center for Human Development Research, Departments of Psychiatry and Behavioral Sciences and Pediatrics, University of Texas Medical School, Houston

1998 – 2012: Professor, Graduate School of Biomedical Sciences, University of Texas, Houston - Health Science Center

2002 - 2011: Assistant Dean, Faculty Affairs, University of Texas Medical School, Houston

2013 - : Training Director, UTHealth Doctoral Psychology Internship Program

2014 - : Landmark Charities Professor of Autism Research and Treatment, Department of Psychiatry and Behavioral Sciences, University of Texas Medical School, Houston

Adjunct Professor, Psychology and Communication Disorders, University of Houston; Adjunct Professor, Psychology, Rice University

HOSPITAL APPOINTMENTS: Harris County Psychiatric Center, 1988-96; 2016 - present

LICENSURE: Licensed as Psychologist (#2-2984) , Texas, 1984 - present

CERTIFICATION: Certified Brazelton Neonatal Examiner, 1988.

Research Certified, Autism Diagnostic Interview, Revised (ADI-R), 1997.

Certified Examiner, Autism Diagnostic Observation Schedule-Generic (ADOS-G), 1999.

PROFESSIONAL ORGANIZATIONS:

Board of Governors, Immersive Education Initiative, Western Chapter (iED West), 2013-present

Texas Autism Research and Resource Center (TARRC) Consortium, Research Committee and Review Team.

Treasurer, International Society for Autism Research (INSAR), 2007-2009; INSAR Board, 2007 – 10

Scientific Chair, Program Committee, International Meeting for Autism Research (May, 2005 meeting, Boston, MA).

Steering Committee member, NIH Collaborative Programs of Excellence in Autism (CPEA) research network; Chair, Data Sharing and Common Measures Subcommittee, CPEA/STAART autism research networks

American Psychological Association: Fellow in Division 7 (Developmental Psychology), Division 33 (Intellectual and Developmental Disabilities), Division 3 (Experimental Psychology); and Division 54 (Pediatric Psychology). Member of Division on Clinical Neuropsychology and Division on General Psychology.

Society for a Science of Clinical Psychology, Member

Society for Neuroscience, Member.

Society for Research in Child Development, Member

American Association on Intellectual and Developmental Disabilities, Member

American Association for the Advancement of Science, Member.

New York Academy of Sciences, Member.

International Society for Ecological Psychology, Member.

Texas Psychological Association, Member

Society for Executive Leadership in Academic Medicine (SELAM), Member.

Association for Women in Science, Member; Vice-President for Programs, Gulf Coast Chapter, 1994-1995, Newsletter Editor, 1995- 02 .

Scientia (Rice University), Fellow.

Executive Board, UT Houston Association of Women Faculty (1993-97): Chair, Communications Committee 1993-94; member, Career Development Committee, 1993- ; elected Secretary of AWF,

1995-96; Co-Chair Communications Committee 1996-97. AWF Board Ex-Officio 2002- 2005.
UT Houston Women's Liaison Officer, AAMC 2002-2010
AAMC Group on Faculty Affairs, Research Committee 2007-2011

HONORS AND AWARDS:

UTHealth McGovern Medical School, Academy of Master Educators, 2015 -
Landmark Charities Professorship in Autism Research and Treatment, 2014 -
Dean's Teaching Excellence Award, University of Texas Medical School, Houston, 1990, 2014, 2015
Outstanding Faculty Award, UTHealth Doctoral Psychology Internship, 2014-15, 2015-16.
Nominated for

James A. Shannon Research Award, National Institutes of Health, 1993-94.
Echols Scholar, University of Virginia
NIMH Pre-doctoral Fellow 1978-79
Phi Beta Kappa
Sigma Xi
Recipient, 1990, Award for Contributions to Mental Health Research, Mental Health Association of Houston and Harris County.
Nominated for President's Scholar Award (Research), University of Texas Health Science Center, Houston, 1992, 1994, 1996, 1998
First recipient of the President's Faculty Award for Mentoring Women, U. T. Houston, 1995
Fellowship, 1998-99, Executive Leadership in Academic Medicine Program for Women, Medical College of Pennsylvania - Hahnemann University
Selected to attend the American Psychological Association's Advanced Training Institute in Functional Magnetic Resonance Imaging, June 2000
Mentor of the Year, University of Texas Medical School, Houston, 2003

EDITORIAL POSITIONS. Member, Editorial Boards:

Autism Research (2007- 2011), (2015-)
Journal of Autism and Developmental Disorders (2007- present)
Applied Psycholinguistics (1988-1990)
Ecological Psychology (1989- 2009).

Reviewer (Currently about 8 to 10 articles per year) :

SERVICE ON GRANT REVIEW PANELS, STUDY SECTIONS, COMMITTEES:

Member, AIDS and Related Research - G Study Section (AIDS and Neuroscience), National Institutes of Health, 1993-1997.

Member, Developmental Brain Disorders (formerly Brain Disorders and Clinical Neuroscience – 5) Study Section, 2001 - 2006

Guest Reviewer, Small Business Innovation Research Grants panel, National Institutes of Health, July, 1986.

Reviewer, NIH/NICHD panel to review RFA on Persons with Mental Retardation and their Families, October, 1986.

Reviewer, Small Business Innovation Research Grants panel, National Institutes of Health, July, 1987.

Guest Reviewer, Small Business Innovation Research Grants panel, National Institutes of Health, October, 1987.

Guest Reviewer, Small Business Innovation Research Grants panel, NIH, March, 1988.

Guest Reviewer, Psychopathology and Clinical Biology Study Section, NIMH, June, 1990.

Reviewer, March of Dimes Birth Defects Foundation, Social and Behavioral Sciences Research Grants Program, January, 1991.

Guest Reviewer, Human Development and Aging-3 Study Section, NIH, February, 1991.
Guest Reviewer, Psychopathology and Clinical Biology Study Section, NIMH, May, 1991.
Reviewer, National Science Foundation - Behavioral Sciences research program, 1993.
Guest Reviewer, NIDCD Small Grants Program Review Panel, June, 1995.
Guest Reviewer, AIDS and Related Research - F Study Section, NIH/DRG, November, 1995.
Reviewer, Bi-National Research Foundation (Israel), 1997.
Guest Reviewer, AIDS and Related Research - 7 Study Section, NIH/DRG, special review of RFA on national HIV brain tissue bank, August, 1998
Guest Reviewer, NIH/CSR Small Business Innovation Research Grants special emphasis panel ZRG1 SSS-D (01) to review SBIR applications for NICHD and NIDCD, March, 1999.
Reviewer, National Science Foundation - Behavioral Sciences research program, September, 1999.
Guest Reviewer, NIH/CSR Small Business Innovation Research Grants Biobehavioral and Behavioral Processes IRG -Study Section 2 to review SBIR applications for NICHD and NIDCD, November, 1999.
Reviewer, NIMH special panel to review supplemental R24 application, November, 2000.
Reviewer, NIMH ZMH1 BRB-P02 S, Mental Health Education Grants, November 2002.
Reviewer, Canadian National Grant Awards program, 2002
Reviewer, Thrasher Foundation for Medical Research, 2003
Reviewer, Israel Research Foundation, 2004
Reviewer, Michael Smith Foundation for Health Research, Vancouver, BC, Canada, February 2006
Reviewer, NIH Special Emphasis Panel, BDCN-N 02 M, February 24, 2006.
Reviewer, NIH/CDC Special Emphasis Panel on epidemiology of autism, March 15, 2006
Reviewer, South Central Veterans Administration MIRECC Grant Writing Scholars Program, 2007
Reviewer, NIH/NIGMS Special Review, MBRS behavioral pilot study applications, July 9, 2007
Reviewer, Autism Speaks research grants, 2008
Reviewer, UK Medical Research Council Career Development Awards, May 2009
Reviewer, Leverhulme Trust Major Research Fellowship, May 2009
Reviewer, Autism Speaks Fellowship Awards, August 2009
Reviewer, University of South Florida Neuroscience Collaborative 2009 Grant Program
Reviewer, International Meeting for Autism Research Annual Meeting 2000-present
Reviewer, Economic and Social Research Council (UK), Professorial Fellowships Academic scheme, 2009-10
Reviewer and Panel Chair, Special Emphasis Panel/Scientific Review Group 2011/01 ZRG1 BDCN-W (02) meeting, 10/01/2010.
Reviewer, Autism Speaks Administrative Supplement application panel, 3/2011
Reviewer, Developmental Brain Disorders Study Section, CSR/NIH, Oct 25-26, 2012.

SERVICE ON HEALTH SCIENCE CENTER/MEDICAL SCHOOL COMMITTEES:

UT Health Science Center

Inquiry committee for UTHSC-H, scientific misconduct, 2007

Diversity Council, HSC (2003- 07)

HSC Task Force on Grant Financial Reporting (2004 - 07)

Organizing and Leadership Search Committee, Institute for Molecular Medicine Neuroscience
Center on neurodegenerative diseases (2002- 03)

Strategic Directions Task Force on Clinical and Research Programs in Mental Health, 1992

Faculty Grievance Committee (alternate member), 1997

Search Committee, Michelle Bain Distinguished Professorship in Medicine and Public Health, 1997 -
98.

Chair, HSC Faculty Awards Committee, 1998-99.

Marshal of the Chancellor's Party, UTH-HSC Faculty Honors Convocation, March, 1999.

Task force on administrative reductions at the Health Science Center (advisory to EVP for
Administration and Finance, Mr. John Poretto), 1998-00.

UTHSC-H Sexual Harassment Board, 1999-2002.

UTHSC-H Strategic Planning Committee on Institutional Development, 2002

Graduate School of Biomedical Sciences

Member of Neuroscience Program Faculty, 2000 - present

Ombudsman, Graduate School of Biomedical Sciences (2000 - 2006)

Student Affairs Committee, Graduate School of Biomedical Sciences (alternate member, 2000;
regular member 2001 - 2003; **Chair** 2003-2004)

Executive Committee, Graduate School of Biomedical Sciences (2003-2004)

Membership committee, GSBS 2008-2012

Ad Hoc Reviewer, GSBS Molecular Pathology Program Review, February 2005

Medical School

Committee on Medical School Developmental Neuroscience Program, UTMS 2003-05

Committee to plan UTMS MR Imaging Facility 2002-2004

Medical School Faculty Appointments, Promotion and Tenure Committee (FAPTC), 1996-99;
reappointed 1999-2002. **Vice-Chair** of FAPTC, 2001 - 2002. Ex-Officio member, 2002 -
present.

Medical School Committee on Committees 1992-93; 1996-97

Faculty Senate, at-large Assistant Professor Representative, 1990-93; Psychiatry and Behavioral

Sciences representative, 1995-98
Faculty Development Leave Committee, 1992-1995
Faculty Affairs Advisory Committee 1997- 2002.
Strategic planning task force on clinical and academic issues at the Medical School, 1998-99.
Co-Chair, LCME Subcommittee on Faculty Resources for Educational Programs, 2002-2003
Committee on Development of Faculty Educators, UTMS 2002-07

SERVICE ON DEPARTMENTAL COMMITTEES:

Chair, Psychology Internship Training Committee, 2013-present
Member: Departmental Faculty Peer Review Committee 2014- present
Member: Undergraduate Education Committee 2012 – present
Member: Grand Rounds Committee 2015 –

Departmental Research Planning and Coordination Committee, 1993 - 2012; also subcommittee to design research training module for residents; subcommittee to develop Research Incentive Plan
Psychology Residency Training Committee, 1985-2003
Chair, UTMSI Quality Improvement Committee, 1993 - 1999.
Faculty Recruitment Committee 1998- 2004.
Committee on departmental website design, 2000 - 01.
Undergraduate Education Training Committee 1999-00; 2012-present
Departmental Faculty Promotions and Tenure Committee: 1999- 2011
Departmental Senior Faculty 6-Year Review Committee, 2001-2003
UTMSI Library Committee 1989-91
UTMSI Continuous Quality Improvement Steering Committee, 1992-1993.
UTMSI Coordinating Council, 1993 - 95
Co-chair, Committee to prepare for Departmental External Review: Research, 1992
Co-chair, Committee to prepare for Departmental External Review: Research, 1998
Co-Chair Research Planning Committee, 1992
Member, Psychology Services Committee, 1992
Departmental Core Planning Committee, 1992
UT Psychiatry Faculty Development Committee, 1993

SERVICE TO THE COMMUNITY:

Member, Advisory Committee to State Senator Buster Brown 1997-99, relating to Health Services and the sun-setting of state agencies

Loveland, K.: Invited lectures to community organizations dealing with mental retardation, childhood mental illness, Down syndrome, or autism, such as Down Syndrome Association of Houston, National Autism Society, Association for Retarded Citizens, Center for the Retarded, Inc.- Parent's Board, PDD-IDA. Lectures at about two to three per year. 1980-present.

Member, Professional Advisory Board, the Monarch School, Houston, Texas.

Member, Professional Advisory Board, the NonPareil Institute, Houston, Texas.

Media Appearances: several each year, television, radio and print media.

SPONSORSHIP OF GRADUATE STUDENTS, RESEARCH FELLOWS, and UNDERGRADUATES FROM UTHSC and OTHER UNIVERSITIES (since 1997).

Wilson Readinger (undergraduate fellow in Philosophy and Psychology, Franklin and Marshall College) (1997): Project on orbitofrontal-limbic dysfunction in autism.

Madeleine Sawaya, UH graduate student in Clinical Psychology. (1998) Project on orbitofrontal-limbic dysfunction in autism.

Beth Hentges, graduate student UH – Psychology 1999-2000, project on narrative language in autism.

Rebecca Friedberg (undergraduate psychology student, Rice University). (1998) Project on orbitofrontal-limbic dysfunction in autism.

Ryan R. Nash (UTH - MS II) (summer research program fellow, 1998): Project on predictive continuity of the Checklist for Autism in Toddlers (CHAT) with the Autism Diagnostic Interview - Revised (paper later presented at the Gatlinburg Conference on Research in Mental Retardation, Spring, 1999).

Jennifer Tjia (Rice U.) Volunteer student undergraduate. Project on neuropsychology of autism, spring 1998.

Gabriel Williams (UTH - MS II) (summer research program fellow, 1999): Project on risk factors for adverse reactions to methylphenidate (MPH) in children with autism (paper later presented at the Gatlinburg Conference on Research in Mental Retardation, Spring, 2000).

Hema Thakar, Rice psychology undergraduate, 1997 project on neuropsychology of autism

Bronwen Deubner, Rice psychology undergraduate 1998 project on neuropsychology of autism

Lynlee Tanner, Rice psychology undergraduate 1999 project on neuropsychology of autism

Jon Biswas (undergraduate, University of Houston) (summer research program fellow, 1999): Project on comparison of neuropsychological functioning of young adults with schizophrenia or autism.

Mardiech McGowan (high school student, Spring Woods H.S.) (UT Houston - High School Summer

- Research program, 1999): laboratory training with autism project.
- Elizabeth Albaugh** (GSBS grad student in Neuroscience): 1st year fall tutorial rotation
- Erin McNaughton** (undergraduate, University of North Iowa) (summer research program fellow, 2000): Project on EEG in autism
- Jennifer Pan** (Clements High School student, FBISD, Research mentorship rotation, Gifted and Talented Program, Spring, 2001)
- Amy Ellis** (undergraduate, Texas A & M) (summer research fellow, 2001): Project on EEG in autism
- Nirmeen Madhani** (high school student) (UT Houston - High School Summer Research program, 2001): laboratory training with autism project.
- Allyson Zeamer** (GSBS grad student in Neuroscience): 1st year winter tutorial rotation 2002. Neuropsychology of autism.
- Lisa Rosen** (Psychology undergraduate, Rice University) 2002 supervised research rotation
- Christa Getchell** (Neuroscience GSBS student tutorial, summer 2002) Neuropsychology of autism.
- Kelly Kilgore** (undergraduate, University of Houston) (summer research program fellow, 2003). Emotion perception and ERP in autism.
- Arif Shoaib, M.D.** (Child Psychiatry Fellow; research mentor for small grant) 2003-04. Post-traumatic stress disorder and brain function.
- Katherine Schultz** (GSBS student, tutorial, 2004). Emotion perception in autism project.
- Erica Rangel**, Rice Psychology: 2004, supervised rotation in research.
- Sharoon Saleem** (SHIS graduate student, research rotation 2004). Neural network modeling of spatial span task in autism.
- Dorothy Long** (MD/PhD student, GSBS tutorial rotation, fall 2004). Neuropsychology of autism.
- Hsiao-Min Grace Hsu** (summer research student, Fu-Jen Catholic University, Taiwan, summer 2006). Anxiety disorders in autism.
- Derrick Huang** (Rice University undergraduate Psychology major, fall 2006, supervised research). Neuropsychology of autism.
- Maura Leahy** (Rice University undergraduate Psychology major, Spring 2007.) Development of infants with low birth weight and premature birth.
- Whitney Morgan** (Rice University undergraduate Psychology major, Spring 2009.) Development of methods to achieve computerized 6-D recognition of real time dynamic facial expressions.
- Samantha Thompson** (Rice University undergraduate Psychology major, Spring- Summer 2009.) Development of methods to achieve computerized 6-D recognition of real time dynamic facial expressions.
- Hashim Zaidi** (Summer Research program student 2009; Rice University undergraduate Psychology major.) Development of methods to achieve computerized 6-D recognition of real time dynamic facial expressions.
- Caren Abraham** (Summer Research program student, 2010; Rice University undergraduate):

Development of methods to achieve computerized 6-D recognition of real time dynamic facial expressions. (Independent study, Rice U. Cognitive Neuroscience program, fall 2010): Project to develop and test methods for social skills group interventions in adults with Asperger's Syndrome.

Deepna Thakkar (GSBS tutorial rotation), Fall 2010. Use of computerized quantitative characterization and modeling via motion capture technology to study nonverbal behavior in autism spectrum disorders.

Wendy Bonnen (Fielding Graduate University, Clinical Psychology doctoral candidate), 2011-12. Clinical practicum on assessment and treatment of children adolescents and adults with autism spectrum disorders. Research practicum on factors associated with life adjustment outcomes in adults with Asperger's Disorder.

Peggy Thornsburg (UT Permian Basin, Special Education), May 2012. Clinical practicum on assessment and treatment of persons with ASD.

Ken Montfort (Fielding Graduate University, Clinical Psychology doctoral candidate), summer 2012, Clinical practicum on assessment and treatment of children adolescents and adults with autism spectrum disorders.

David Wilde (U of Miami, undergraduate summer research program). Use of computerized quantitative characterization and modeling via motion capture technology to study nonverbal behavior in autism spectrum disorders.

Kimberly Harrison (Fielding Graduate University, Clinical Psychology doctoral candidate), Sept 2012 – May 2013, Clinical practicum on assessment and treatment of children adolescents and adults with autism spectrum disorders. Research practicum on adults with autism spectrum disorders.

Kelly Mover (Rice University undergraduate), Fall 2012. Research on clinical characteristics of autism spectrum disorders and on motor skills project.

Kana Morimoto (undergraduate medical student from Japan, international student summer research program), Summer, 2013. Project on parenting stress in mothers of children with autism.

Caroline Carberry (volunteer research assistant), Fall 2013. Project on parenting stress in mothers of children with autism.

Salvatore Carbonaro (Fielding Graduate University, Clinical Psychology doctoral candidate), Sept 2013-Aug 2014. Clinical practicum on assessment and treatment of children adolescents and adults with autism spectrum disorders. Research practicum on adults with autism spectrum disorders.

Irina Zilberfayn, (Fielding Graduate University, Clinical Psychology doctoral candidate), Sept 2014-August 2016. Clinical practicum on assessment and treatment of children adolescents and adults with autism spectrum disorders.

Ydalith Rivera-Perez Clinical practicum on assessment and treatment of children adolescents and adults with autism spectrum disorders. Clinical practicum on assessment and treatment of children adolescents and adults with autism spectrum disorders. Research practicum on adults with autism spectrum disorders. 2014-15

Ashley Williams (University of St. Thomas undergraduate research assistant), Fall 2014 and Spring 2015. Project on parenting stress in mothers of children with autism.

Yana Posey (University of St. Thomas undergraduate research assistant), Fall 2015 and Spring 2016. Project on parenting stress in mothers of children with autism.

Analisa Habet: (University of St. Thomas undergraduate research assistant), Fall 2016 and Spring 2017. Project on parenting stress in mothers of children with autism and Project on treatment of social anxiety in ASD.

SUPERVISED PSYCHOLOGY INTERNS:

Alexis Walker (Psychology intern, UT Houston), research rotation, Spring 1999.

Bryant Shaw (Psychology intern, UT Houston), research rotation, Spring, 2000.

Thomas Bearden (Psychology intern, UT Houston): Research rotation: 2001-02

Natalie Montfort (Psychology intern, UTHealth Doctoral Psychology Internship Program): 2013-2014

Charles Jegede (Psychology intern, UTHealth Doctoral Psychology Internship Program): 2013-2014

Kimberly Harrison (Psychology intern, UTHealth Doctoral Psychology Internship Program): 2014-2015

DingYu (Psychology intern, UTHealth Doctoral Psychology Internship Program): 2014-2015

Maya Boustani (UTHealth Doctoral Psychology Internship program): 2015-2016

Ryan Hill (UTHealth Doctoral Psychology Internship program): 2015-2016

Keri Parish Norris (UTHealth Doctoral Psychology Internship program): 2015-2016

Andres Tapia (UTHealth Doctoral Psychology Internship program): 2015-2016

Felicia Wolf: (UTHealth Doctoral Psychology Internship program): 2016-2017

SPONSORSHIP OF CANDIDATES FOR POSTGRADUATE DEGREE:

Primary Advisor: Kim Thi Nguyen (GSBS Masters student in neuroscience), 2010-11. Project on relationships and marriage in adults with Asperger's syndrome.

Doctoral or Masters Committee Member:

UT-Houston, School of Public Health: **Juliana Ortegon** (M.P.H.)
UT-Houston Graduate School of Biomedical Sciences: GSBS Neuroscience Program: **Sarah Nemanic** (MS, Ph.D.) (candidacy committee and doctoral committee); **Eugena Pixley Mitchell** (candidacy committee, Ph.D.); GSBS Medical Genetics Program, **Colleen Buechner** (M.S., committee member);
UT-Houston School of Health Information Sciences, **Sharoon Saleem** (M.S., committee member)
Rice University (Dept. of Psychology): **Vonda N. Bailey** (M.A.); **Geri Hanten** (Ph.D.)
University of Houston (Dept. of Psychology): **Sheryl O. Hughes** (MS); **Robin McEvoy** (MS, Ph.D.); **Belgin Tunali** (Ph.D.); **Audrey Mattson** (M.S.); **Michelle Kelley** (Ph.D.), **Tom Mann** (Ph.D.)
University of Houston (Communication Disorders): **Pamela Cooley** (M.A.); **Kimberley Kelty** (M.A.)
University of Houston (Computer Science): **Xiaohan Ma** (Ph.D., candidacy)
Texas Woman's University (Dept. of Physical Therapy): **Merry Lynne Hamilton** (Ph.D.).
Houston Baptist University (Dept. of Educational Psychology): **M. Cullen Gibbs** (M.A.);
St. Mary's University (San Antonio, TX): **Sarah Deal** (M.A. in Psychology).
McGill University (Montreal, Quebec, Canada): **Grace Iarocci** (Ph.D. in Psychology, external examiner).
York University (Toronto, Ontario, Canada): **Sonia Mastrangelo** (Ph.D. in Psychology, external examiner).
Deakin University (Geelong, Victoria, Australia): **Victoria Miller** (Ph.D. in Clinical Psychology, external dissertation evaluator.)
University of Houston, Dept. of Computer Science: **Xiaohan Ma** (Ph.D. committee member).
University of Houston, Dept. Educational Psychology: **Natalie Raff** (PhD. Committee Member)

SPONSORSHIP OF POSTDOCTORAL FELLOWS/VISITING SCIENTISTS:

Belgin Tunali, Ph.D. 1988-90
Emese Nagy, M.D., Ph.D., 1999 - 2002
Arif Shoaib, M.D. 2003-2004
Bryant Shaw, Ph.D., 2004-2005
Kairav Shah, M.D. 2008
Noriko Porter, Ph.D. 2013- present
Kimberly Harrison, PhD. 2015-present

OTHER EDUCATIONAL RESPONSIBILITIES:

Training Director, UTHealth Doctoral Psychology Internship Program 2013-present
Psychology Training Committee, Chair

Faculty member, Leadership Education in Neurodevelopmental Disorders program (Lone Star Lend), UT Pediatrics

Undergraduate Education Committee, 2012-present

Academy of Master Educators, 2015-

Medical Student Admissions Interviewer, 1994 - 2010, typically about 8 - 10 applicants per year.
Child Psychiatry Fellowship and Resident interviews, several per year 1995-2010.

Psychology residency interviews, several per year 1986-2005. (Psychology residency program ended.)

Summer Research Program, Psychiatry Faculty Representative, 2006 - 12

Supervision:

- Psychology practicum students (1 – 2 per year)
- Psychology interns (1 – 3 per year)
- LEND fellows rotations (Leadership Education in Neurodevelopmental Disorders) (2 -3 per year)
- Psychiatry Residents and Fellows: clinical cases on children and adolescents with developmental disabilities, particularly Autism; Discussant on Resident Rounds case presentations, 1 per year 2000-2010
- Psychotherapy supervisor for PG III, average of 2 residents. (2012 - present)
- Supervision of Psychology residents, 6 month research rotations: 1999: Alexis Walker; 2000: Bryant Shaw; 2002: Thomas Bearden; 2003: Stacey Tomanik 2009.
- Supervision of Rice University undergraduate student electives and/or University of Houston graduate students in Psychology (since 1988: 1 - 2 per year, each for 1 or 2 semester rotations, each 10-12 hrs/week). Students work on ongoing research projects.
- Supervision and support of summer research fellows, UT Summer Research Program, other institution programs, and student volunteers.

Teaching:

- Current **Psychology Internship Program**: lecture on Assessment of Autism Spectrum Disorders and lecture on Cognition Affect and Behavior in ASD
- Behavioral Sciences lectures for **2nd year medical students** (2011- present): Autism spectrum disorders and lecture on Adolescence; (2005- 2009) Learning and Language Disorders; Autistic Spectrum Disorders. (1985 - 94): Early Childhood; Middle Childhood.
- Problem Based Learning for **2nd year medical students** (2007-present) Three 8-week blocks per year, 8-10 hrs/week.
- School of Public Health: lecture on Autism Spectrum Disorders, to epidemiology students

- Interviewing course for PGYII's 2010-2013.
- Preceptor for **MS 4 elective rotation**, study in China, March 28 – April 15 2008
- Seminars for **PGYIII, PGYII (Psychiatry Residents)**: Normal Child Development, Language Development, Autism/PDD, Language and Learning Disabilities, Careers in Academic Medicine.
- Seminars for **Child Psychiatry Fellows**, topics including Language Development, Perceptual Development, Developmental psychopathology, Language Disorders, Autism/PDD, Assessment of Mental Retardation, Reading and Evaluating the Research Literature; Research. Also developed and coordinated 8-week module on Research Methodology for several years.
- Seminars for **department's former psychology internship** : Developmental Disabilities (e.g., Autism, Mental Retardation, Assessment Issues), Grant Writing, Careers in Academic Medicine. Also serve as discussant for resident rounds case presentations about once per year. Yearly, through 2005 when program ended.
- **Psychiatry Grand Rounds** (1986, 1993, 2000, 2001, 2005, 2008; 2009, 2010, 2011)
- **Departmental Research Seminar**, 1987, 1988, 1990, 1995, 1997, 2000, 2002, 2005
- Coordinating-committee for **Psychiatry residents** research training module (1995-96)
- Committee to develop Problem Based Learning Modules on Child Development and Psychopathology for **Child Psychiatry Fellows**, 1997 - 2005.
- Seminars on Mental Retardation and Developmental Disabilities, Baylor College of Medicine Child Psychiatry Fellowship program (1998 - 99)
- Lectures (yearly) to University of Houston Developmental Psychology graduate course on professional issues (1994 - 2001).
- Lectures to Rice University Psychology Dept. graduate seminar on professional issues (1997 - 2000) and to Abnormal Psychology course (2001- 2006).
- UT Child Psychiatry telemedicine (distance learning) project, seminars to teachers and nurses at remote locations, on developmental disorders and school problems, about 2 - 3 sessions per year, 1998 - 2003.

PAST GRANT SUPPORT:

Child Language:

NIMH Pre-doctoral Research Fellowship Award, 1978-79; **Learning about points of view: Spatial perspective and the acquisition of reciprocal pronouns**, \$8,000.

Autism:

Principal Investigator, New Investigator Research Award (NIH/ NIMH), 1982-84: **Joint Attention and Language Development in Autism**, \$75,000.

Principal Investigator, Research Award (NIH/NINCDS DC 00357), 1985-89: **Communication in Autism: Pragmatic Deficits**: \$210,000.

Principal Investigator: **Communication in Autism: Pragmatic Deficits**, competing continuation Research Award (NIH/NIDCD), 1989-92, \$296,000.

Principal Investigator: **Communication in Autism: Pragmatic Deficits**, competing continuation grant (NIH/NIDCD), 1992-96, \$393,000

Co-Investigator. Diffusion tensor imaging of brain white matter connectivity in adolescents with autism. (P.I.: Jill V. Hunter, M.D., Texas Children's Hospital/Baylor College of Medicine). \$19,500, the Mike Hogg Foundation, 1/1/04-6/30/05.

Principal Investigator/Program Director: **Orbitofrontal-limbic dysfunction in autism**. (Program project grant from NICHD, 3/99-2/08), \$4.6 million direct costs. P.I. of two components: Project I: Neurobehavioral development and dysfunction in autism (\$117,000/year); and Core Module A: Program Project Administration and Project Coordination Core Module (\$38,000/year); Co- P.I. of Core Module B: Patient Coordination and Methodology Core Module (P.I. Deborah A. Pearson, Ph.D.) (\$199,000/year). **In 2003 this grant became affiliated with the NICHD Collaborative Programs of Excellence in Autism network (CPEA).**

Navarro, F., Pearson, D. **Loveland, K.**, Rhoads, M. 2010. Study on the Effects of Diet on Behavior in Autism. \$10,000 Pilot study funded by Department of Pediatrics, in preparation for submission of a larger project to NIH.

Co-Investigator. ADHD Symptoms in Autism: Cognition, Behavior, Treatment. \$1,000,000. 7/01/05-6/30/11. (D.A. Pearson, P.I. NIMH)

UT Medical School site PI: Facial Expression Analysis Using 6D data: Application to Autism. (Ioannis Kakadiaris, Ph.D., P.I., University of Houston; K. Loveland, Co-PI.) 6/08 – 5/11; PI of UT site: \$75,000 State of Texas Advanced Research Program, 2008.

Principal Investigator: Sex-Related Physiological Differences and Brain Development in Autism. ("Just Missed" grant from UT Medical School Houston). \$45,940, 2007-2008.

Co-Investigator: Epidemiological Research on Autism in Jamaica. (Mohammed Hossein Rahbar, Ph.D., P.I.) NIH: NICHD (R21) 3 years, \$200,000 total direct costs.

PI: Launching! A project of the UTHealth C.L.A.S.S. Clinic. Autism Speaks. 2014-2015 1 year,

\$5,000.

Down syndrome/Aging:

Principal Investigator, Research Award (G. Harold and Leila Y. Mathers Charitable Foundation) 1987-1990; Dementia in Adults with Down Syndrome, \$431,000 (Jan. 1987 - December, 1991).

Principal Investigator: Dementia in Adults with Down Syndrome (NIH Shannon Award), 1993-1994, \$80,000.

Co-Principal Investigator: Dementia in Adults with Down Syndrome (NICHD), Diana B. Burt, Ph.D., P.I., 1994-00, \$850,000.

Hemophilia/HIV:

Co-Investigator (Executive Committee Member): Collaborative Study of the Effects of HIV on the Development of Children with Hemophilia (Office of Mother and Child Health), (E. Gomperts, M.D., P.I.), 1988-93, \$6,000,000.

Co-Investigator: Research Award (NIMH), Quantitative Volumetric Analysis of Brain MRI in HIV-infected and Uninfected Hemophilic Children, Adolescents, and Young Adults (1995 - 1996), \$600,000 (W. Keith Hoots, M.D., P.I.).

Co-Investigator (Executive Committee Member): Collaborative Study of the Effects of HIV on the Development of Children with Hemophilia (competing continuation, Office of Mother and Child Health and NICHD), E. Gomperts, M.D., PI) 1993 - 2000, \$800,000.

Child clinical trials:

Co-investigator: The safety and efficacy of Risperidone vs. placebo in Conduct Disorder in Mild, Moderate, and Borderline mentally retarded children aged 5 - 12 years. (Janssen Pharmaceutica), D.A. Pearson, Ph.D., P.I., 1999-01, amount of funding dependent on enrollment.

Other Disorders:

Co-Investigator: Structural and Functional Neuroimaging in ADHD: Prediction of Medication Treatment Response. Texas Advanced Technology Program, D.A. Pearson, P.I. 1998-2001, \$150,000.

Co-investigator and mentor: Post-Traumatic Stress Disorder: Eli Lilly Pilot Research Award to Arif Shoaib, M.D., "A Study of Neurocognitive Dysfunction in Children and Adolescents with Posttraumatic Stress Disorder", 2003-2004, \$9,000.

CURRENT GRANT SUPPORT:

Principal Investigator: **Application of Virtual Reality Technology to Social Anxiety in Individuals with Autism Spectrum Disorder.** (Co-investigators M. Reddy and J. Yoon). Year 1, \$100,000, Landmark Charities.

Co-Investigator: **Epidemiological Research on Autism in Jamaica.** (Mohammed Hossein Rahbar, Ph.D., P.I.) NIH:NICHHD (R01) 5 years, \$200,000 total direct costs per year, 4% FTE.

Consultant: **Transition Age Youth With Mental Illness.** Primary Site: Easter Seals, Houston. Hogg Foundation for Mental Health. \$5,000 per year.

PI: **The UTHealth Psychology Internship Program APA Grants for Internship Programs,** American Psychological Association, \$20,000, 2014-2017.

 197. Harrison, K. & **Loveland, K.** Relationship of Executive Functioning Deficits and Life Outcome in Intellectually Able Adults with ASD. International Meeting For Autism Research, May 11, 2017, San Francisco, CA.

PRESENTATIONS AT REGIONAL MEETINGS:

198. **Loveland, K.** and Megaw-Nyce, J.: Perspectives and pronouns. Paper presented to Eastern Psychological Association, Washington, D.C., March, 1978.

199. **Loveland, K.:** Learning about points of view: Personal pronouns. Paper presented to Southeastern Psychological Association, March, 1981.
200. **Loveland, K.:** Language development and communicative behaviors in autism. Co-presentation with Susan Landry. Individualized program planning of the autistic person, symposium sponsored by Texas Research Institute of Mental Sciences, Child Development Clinic. Dallas, Texas, August 17-18, 1981.
201. **Loveland, K.:** Social cognition and first language acquisition. **Invited** presentation to Mellon Foundation Summer Workshop on Discourse, Rice University, May 17-28, 1982.
202. Landry, S., **Loveland, K.**, and Sargent, B.: The role of functional communication in assessment and interventions with children and adolescents who have pervasive developmental disorders. Teleducation workshop TX Department of Mental Health and Mental Retardation, March, 1984.
203. **Loveland, K.:** The child, the parent, & school problems. Presentation as part of Pediatric CME course, "Quandaries in Pediatrics", UTHSC-H, May, 1988.
204. Bordeaux, J. and **Loveland, K.:** HIV in children. **Invited** presentation to Texas Medical Association meeting, Section on Psychiatry, San Antonio, Texas, May, 1988.
205. **Loveland, K.:** Issues in the diagnosis of autism: A spectrum of disorder. Presentation in symposium: "Current issues in developmental disabilities: Theory, diagnosis, and intervention", Texas Psychological Association meeting, Houston, TX, November, 1989.
206. **Loveland, K.:** **Invited** delegate to the Robert Lee Sutherland Seminar of the Hogg Foundation for Mental Health, "Mental Health Research in Texas"; speaker on topic "Pediatric HIV Research: The Hemophilia Growth and Development Study". Austin, Texas, Feb., 1990.
207. Burt, D., Cain, M.A., Lachar, D., Ruiz-Nazario, J., Chen, Y., **Loveland, K.**, & Lewis, K.R.: Assessment for depression in adults with mental retardation. Paper presented at Texas Association on Mental Retardation Annual meeting, Grapevine, Texas, April, 1993.
208. **Loveland, K.**, The social and cultural development of persons with autism: Insights from narratives and referential communication. Paper presented at symposium on New Directions in Developmental Psychopathology: Autism and Attention Deficit Disorders. Houston, Texas, September, 1995.
209. **Loveland, K.** (2000). Brain development in children and adolescents with autism. **Invited** paper presented as part of the symposium "Neurodevelopmental Research: Current Studies on Autism and MR," at Texas Association on Mental Retardation, Galveston, Texas.
210. **Loveland, K.A.** Current clinical issues and research findings in Autism. **Invited presentation** to National Association for the Mentally Ill Convention, Houston, Texas, September 22, 2001.
211. **Loveland, K.** How did they miss that? Previously undiagnosed Asperger's syndrome in adolescents and adults. **Invited lecture** to the *Connections Count!* Professional development conference, L'Auberge du Lac Casino Resort, Lake Charles, LA, February 16-17, 2011.
212. **Loveland, K.A.** How Did They Miss That? Previously Undiagnosed Autism Spectrum Disorders

- in Adolescents and Adults. Workshop presentation at American Association on Intellectual and Developmental Disorders, Texas region. San Antonio, TX, July 20-22, 2011.
213. **Loveland, K.** Autism Research in Texas: Welcome to the Future. Invited talk at the first annual Research Conference of the Texas Autism Research and Resource Center, July 30, 2011.
214. **Loveland K.** Adults Presenting with First Diagnosis of an Autism Spectrum Disorder: Issues and Opportunities. Invited address to Research Conference of the Texas Autism Research and Resource Center, July 13-14, 2012.
215. **Loveland, K. Invited** keynote address: The Transition Age Young Adult with ASD/Asperger's. 5th Annual "Adventures in Autism Intervention and Research" Conference, Saturday, July 27, 2013, University of North Texas, Denton, TX.
216. **Loveland, K. Invited** breakout session: Supporting the Transition to Adulthood in Young People with ASD/Asperger's. 5th Annual "Adventures in Autism Intervention and Research" Conference, Saturday, July 27, 2013, University of North Texas, Denton, TX.
217. **Loveland, K.** The Role of Mental Illness in Adult Life Outcomes in Intellectually Able Men and Women with ASD. Research Conference of the Texas Autism Research and Resource Center, July 12-13, 2013.
218. **Katherine A. Loveland**, Richard L. Gilbert, & Jeananne Saad (2015). The Psychology of Participants in 3D Virtual Families. Western Psychological Association, April 30-May 3, 2015, Las Vegas, Nevada.
219. Porter, N. & **Loveland, K.** (2016). Culture, cultural factors, and early diagnosis of autism: From mothers' perspectives. Texas Autism Research Conference, Jun 14 2016. Austin, Texas.
220. **Loveland, K.A.**, Harrison, K. B., Reddy, M. K., Engstrom, A. E., Posey, Y. (2016). Autism Spectrum or Mental Illness? Assessing the Previously Undiagnosed Adult. Texas Autism Research Conference, Jun 14 2016. Austin, Texas.
221. Posey, Y. S., Porter, N., and **Loveland, K.** Financial burden, wellbeing, and parenting stress in mothers of children with ASD. Poster presentation at the annual meeting of the Southwestern Psychological Association, March 31 – April 2, 2017, San Antonio, Texas.

GRAND ROUNDS AND OTHER LOCAL PRESENTATIONS:

222. **Loveland, K.:** Communication deficits in autism. Grand Rounds presentation to Department of Psychiatry and Behavioral Sciences, UTMS-H, 1986.
223. **Loveland, K.:** Pediatric HIV infection: Neuropsychological follow-up. Presentation to Departmental Research Seminar, Department of Psychiatry and Behavioral Sciences, UTMS-H. 1987.
224. **Loveland, K.:** HIV-related neuropsychological deficits in children. Panel discussion for Grand Rounds presentation by W.K. Hoots, M.D., to Department of Pediatrics, UTMS-H, 1988.

225. **Loveland, K.:** Research issues in autistic language and social behavior. Presentation to Departmental Research Seminar, Department of Psychiatry and Behavioral Sciences, UTMS-H. 1988.
226. **Loveland, K.:** Issues in the diagnosis of autism. Grand Rounds presentation to Department of Pediatrics, UTMS-H. 1990.
227. **Loveland, K.:** Depression and dementia in adults with Down syndrome. Departmental Research Seminar, Department of Psychiatry and Behavioral Sciences, UTMS-H. 1990.
228. **Loveland, K.:** Panel discussion/presentation to UTHSC-H seminar "A Common Sense Approach to Grant Getting", November, 1991.
229. **Loveland, K.:** The Hemophilia Growth and Development Study: Baseline Neuropsychological Findings. Presentation to the Annual Meeting of the UTMSI Advisory Board, "Mental Health and Mental Science: Research at the University of Texas Mental Sciences Institute", November, 1991.
