**TEACHING RESPONSIBILITIES:**

Mastering the Mind: An extracurricular elective for medical students, Fall, 2018  
Interactive seminar series on an evidence-based approach to retrain minds to give voice to alternative thoughts that can bring calm to overpowering negativity. Students entered a creative court-room environment, in which they learned to become a detective, attorney, judge, and master of their minds, setting students up to be happier, more confident, resilient, and less anxious.

MS1 OASA Lecture on Maintaining Mental Health in Medical School, Fall, 2019

MS2 OASA Lecture on Coping with Stress, Fall, 2019

**CURRENT CLINICAL SERVICE RESPONSIBILITIES:**

Provide outpatient individual, family, and crisis psychotherapy to enrolled students through the UTHealth Student Health & Counseling Services clinic via walk-in clinic and scheduled appointments.

Provide outreach presentations to all 6 schools at UTHealth once per semester or as requested on counseling center services, mental health needs, suicide prevention, and community crises. Served as speaker/representative for the UT Health and Counseling Services Clinic at 18 events during the 2018-2019 academic year.

Serve as staff liaison to the Office of Student Affairs for McGovern Medical School, UTH School of Nursing, UTH School of Dentistry, and UT School of Biomedical Informatics

Provide feedback and participate in planning for UT Counseling Services

development, expansion of services, and website information and design.

Attend STOP Team Meetings

Participate in interviews with UTHealth Office of University Communications to discuss mental health topics and counseling center services

## **SERVICE ON DEPARTMENTAL COMMITTEES:**

Member, Psychology Internship Training Committee 2018 - Present
