DII Updates - Coronavirus

March 31, 2020
COVID 19 update

Message from Dr. John:

Dean Stoll is organizing a volunteer program among residents who are willing to be reassigned to a clinical area to help in case the need arises. Several of our outstanding residents have already volunteered. I am proud of all of you for your work and dedication.

Outpatient Updates

- TMC outpatient imaging center and the breast center will be open five days a week. All weekends are closed.
- Evening slots in MRI available till 10PM . There is significant reduction in volumes.
- Most recent screening protocol for our patients is enclosed.

Since this situation is actively evolving, we are urging all individuals to actively view the following links to stay informed:
