## **DII Updates - Coronavirus**

April 7, 2020  
**COVID 19 update**

### **MHH-TMC update:**

ICUs and floor beds still have adequate capacity; PPE supplies are stable.

N95 mask sterilization continues – **remember no makeup below the eyes if you use an N95 mask.**

COVID 19 rapid testing is becoming available but is only being used for ICU patients at this time. Will be rolled out for others as it becomes more available.

**Be sure to join us for the DII town Hall virtual meeting on Thursday afternoon at 4 PM. Faculty, residents, and staff are all invited. Call in information is on the calendar invite.**

**M&M Conference Rescheduled**

The DII M&M conference for this Friday, April 10<sup>th</sup> will be rescheduled so faculty may attend the virtual workshop below:

Please join us on April 10, 2020 virtually, to learn ways you can “distance-teach” using educational technology tools that McGovern Medical School offers. We are all learning ways to teach online, synchronously or asynchronously. By the end of the workshop, we hope that you will walk away confident in teaching effectively using **distance education tools**. We will see you through **WebEx**!

As usual, please register for the session here: <https://apps.uth.edu/edts/index.jsp>

Then, remember to join us on **April 10, 2020 (Friday) from 12-1PM** by clicking on the “Join Meeting” or by phone.

Topic: **How do I Distant Teach Using Technology that's Available @ McGovern Medical School?**
