

January 2021 SEGA Newsletter

Happy New Year Everyone!

Welcome to the first SEGA Newsletter of 2021! We hope that you all had a great holiday season and were able to enjoy some time with family. As of January 7th., we have currently enrolled 134 subjects in SEGA. In the month of December, we were able to enroll 10 new subjects, which is the most we have ever enrolled in a single month!

With that being said, this month we have BIG NEWS!! We have officially surpassed the halfway point of 130 subjects for the trial. We are so excited to have reached this point, as we now can begin the interim analysis!

We cannot thank everyone enough for helping us reach this point in the SEGA trial! Thank you all for your participation and efforts in the trial.

January 2021 is already off to a great start. Since the new year began, we have already had 3 new enrollments. We are also excited to be working with a number of sites to get enrollment up and running again.

As always: don't forget to check the SEGA website at www.segatrial.com or www.segatrial.org for further information about the trial or participating sites.

We wish you all a healthy and happy new year, and thank you for your participation in SEGA!
