**Public Health Informatics Certificate Requirements**

Each student will develop a degree plan with written approval of their academic advisor. The student must file a signed degree plan each academic year in the Fall and Spring terms listing the required and elective courses as specified for their certificate program. This plan is a set of predefined coursework, totaling 16 credit hours. **UTRGV students with a major of Environmental Sciences will be able to apply 9 of the required 16 credits hours to their UTRGV Environmental Science degree.** To view more information about how credits from SBMI are transferred and applied to your program, please view the Undergraduate Accelerated Master's (4+1) Program Course Equivalency FAQ.
