I. Call to Order/ Welcome/ Approval of MinutesRachel Pham, *SIC President*

- Call to order at 6:02 pm
- February minutes approved

II. Advisor Announcement.....Eric Solberg, *VP of Academic and Research Affairs*

- A. Tomorrow UHealth will have a virtual site-visit for accreditation of our school for the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC)
- Without approval from this accreditation body, all other accreditations would be rendered null.
 - Will be meeting with 130 individuals via 45 minutes sessions over the next two (2) days.
 - All services, schools, and bodies will be involved.
 - Part of the “reaffirmation of accreditation” process is also a quality enhancement plan.
 - Makes institution focus on how to continually improve education programs and student outcomes
 - Required by the Board of Education
 - Approximately 3 years ago, UHealth identified places to enhance student learning across all schools (will discuss outcomes at a later time).
- B. Reporting procedure as response to site visit.
- C. When our self-study was presented, SACSCOC
- gave us a preliminary report. Out of 72 standards, they wanted more documentation on 6 of those standards.
 - They wanted an audit of FY financial reports, which was not possible since FY ended a week before due date
 - Other 5 were addressed
 - After this visit, school will submit more reports and may have to send follow up reports within 5 months to address anything left

III. Quality Enhancement Plan.....Rebecca Lunstroth, JD, MA, *Director, Quality Enhancement Plan*

- All about enhancing student learning.
- Standard 7.2: an institution’s commitment to enhancing the overall quality and effectiveness by focusing on issues that are important to student learning.
- Standards measured by:
 - A topic identified through its ongoing comprehensive planning and evaluation process

- Broad-based support of institutional constituencies
- Identification of topic:
 - Lead the development of advanced standards of care models of delivery and healthcare policy
 - Develop and deliver innovative educational models in healthcare
 - QEP identification process:
 - 14 proposed topics
 - 4 selected for further development based on priorities, institutional plan and SACSCOC criteria
 - 4 LOI and full proposals and selected HP²
 - HP²
 - Genesis of the idea was based on student comments
 - Had a baseline survey of students: time spent learning about health policy
 - Majority reported not at all or too little
 - QEP team established 3 student outcomes:
 - evaluating key factors in how policy is made and changed in the US healthcare system
 - Explaining the role of government and non-government agencies play in science and scientific innovation
 - Analyzing how policy influences how healthcare is accessed, delivered and financed in the US.
 - This was an iterative process
- University Action Plan (UAP)
 - 1. Faculty development
 - 2. Civics 101
 - Know how laws are made
 - 3. Health Policy Simulation:
 - interprofessional activity
 - 4. Enhance Existing Curricula
 - Making policy aspects of curricula more explicit
 - 5. Health Policy forums
 - Funds/opportunities for schools to bring in local/ state/ national leaders to discuss relevant related to our population
 - 6. Advocacy modules
 - Showing how policies are changed, so we know how to drive change in the future
- Assessment
 - Assessing if learning has improved through involvement
- Our SIC role?
 - Talk up/ promote this – what do they mean but talk up?
 - Provide ideas on what we want to see/ thoughts
- FAQ
 - Who should participate?
 - This is going to be more for senior learners
 - Not going to be every single learner

- Would this be an all-day event? Would there be reflection after this? What does that look like? What's the timeline for this?
 - UAP will take place in different ways in schools over 5 years
 - Everyone will likely participate in Civics 101
 - Other modules, participation will happen depending on needs and students
 - Not a one-time event, will be embedded over 5 years
- What is the pace of roll-out for this program? Is this for future students only?
 - Depends on what school you're in and what program you are in.
 - Some of the schools will be embedding this into courses
- One of the first enhancement plans in the nation to focus on healthcare policy.
- How do we provide feedback? How to interact with this committee?
 - Contact Professor Lunstroth: Rebecca.lunstroth@uth.tmc.edu
- UT Student Advisory Council also working in a similar direction, will the student advisory panel want to work with SAC?
 - Yes.
 - Forming a student advisory panel
