

The University of Texas Health Science Center at Houston
Student InterCouncil (SIC)
Academic Achievement Award
Application Form

The SIC scholarship will be awarded to individuals who have stellar academics and academic achievements. Academics at UTHealth not only include ones performance and participation in the classroom, but also ones activity in mentoring and teaching others as well as research and the drive to learn new things. The Scholarship Committee of the Student InterCouncil (SIC) will accept applications from eligible students from all six schools of UTHealth. One recipient will be selected and will represent their school and this scholarship for one full academic year. The committee will support the academic goals of each student by providing a scholarship in the amount of \$1,000.00 for the academic year in which they are chosen.

Minimum Eligibility Requirements:

- Must be a current student at one of our six UTHealth schools in good academic standing.
- Must be enrolled at least part time at the UTHealth school applying under.
 - Must be attending the UTHealth School indicated on application for the duration of the academic year for which the application is being submitted.
 - Recipients will be chosen in January 2022. Must be a registered student during the Spring 2022 term.
- SIC representatives who are members of the Scholarship Selection Committee are not eligible to apply for this scholarship.
- Students related in any way to a current UT Board of Regent member are not eligible according to Senate Bill 1325.
- **Selected scholarship recipients agree to attend the annual SIC Deans' Reception Dinner to receive their award (April 2022).**

Selection Criteria:

Primary:

- Students who demonstrate academic ability and achievement.

Secondary:

- Students who demonstrate leadership ability and potential.
- Students who have demonstrated a commitment to community service.

Application instructions:

Before submitting an application, applicants should ensure that they meet all of the eligibility and submittal requirements. Applicants should follow directions carefully and complete all application sections. Any applications not in compliance with any of the details specified may be disqualified. **The committee will not consider late applications or any additions to the application once it has been submitted.** All application materials must be submitted electronically to Ms. Tanedra Booker, Tanedra.Booker@uth.tmc.edu 4:00 p.m. on **Friday, December 17, 2021.**

1. Please submit a letter of recommendation from a UTHealth faculty or staff member who you feel best knows your academic drive, achievements, and abilities. This letter should be submitted via email to Tanedra Booker (Tanedra.Booker@uth.tmc.edu). Please be sure the subject line reads “Your name – Recommendation Letter). The recommendation should only include academic achievements over the past 4 years the student has been enrolled in higher education. For example, if a student graduated six years ago from college, took four years off from school, and is now in their second year at UTHealth, two years of schooling at UTHealth and the last two years of college would be considered the last four academic years of the student’s career.

Keep in mind that the best letters of recommendation:

1. Highlight, with examples, both the strengths and possible areas for improvement of the candidate.
2. Provide important insight into the applicant’s professional abilities and character.
3. Should be written by a faculty or staff who is familiar with the applicant’s achievements, mentoring capability, and active participation in mentoring/teaching others.
4. Should include achievements such as grades, awards, grants, papers, etc.

- 2. In the designated box below and in your own words, please write a one-page essay explaining your academic achievements over the past four academic years and why you believe you are the most qualified candidate to receive this award.**

A large, empty rectangular box with a thin black border, intended for the student to write their one-page essay. The box occupies most of the page below the question.
