

TAKE CARE, TEXAS

**LET'S KEEP
TEXAS OPEN!**

Are you okay, dad?
You seem tired.

I think i might have a fever.

Il heard you cough earlier. You don't think
you might have COVID, do you?

Nah. I'll be fine. I got
vaccinated for my job,
remember?

You should get tested, dad.

Why? Look at me. I'm a healthy guy!

Yeah, but Mom isn't. If she gets
COVID with her diabetes, that
could be bad. Real bad.

If you're scared, I'll
go with you!

Very funny!
Where do we go?

Look! Takecaretexas.org
has places we can all get
a free test.
