

TAKE CARE, TEXAS
MASK UP AND GET
TESTED FOR COVID-19.

WHEN TO GET TESTED

even if you're fully vaccinated

**If you feel sick or
have any COVID-19
symptoms**

**If you have
been around
someone with
COVID-19**

**After spending
time in a large
crowd or
enclosed space
without a mask**

**When requested by
your school,
workplace,
healthcare provider,
or local government**

HELP STOP THE SPREAD

You can spread COVID-19 to your loved ones, even if you're vaccinated or feel fine

**Get your vaccine
and booster as
soon as possible,
even if you've had
COVID-19**

**Wear a mask
in public and
social distance
when possible**

**Go to a COVID-19
testing site or
take a self-test
when needed**

**Unvaccinated COVID-19
patients have a greater
risk of hospitalization
and death**
